

A year to be merry about for McDonald Butler!

B2B marketing agency McDonald Butler can reflect on 2010 as their most successful year to date. Over the past 6 months alone, the agency has:

- Won a **Best Business Award** for 'Best Small to Medium Sized Business'
- Been nominated for 4 **B2B Marketing Awards**; including Marcomms Agency of the Year, Best Lead Nurturing Initiative, Best Channel Marketing Initiative and Most Commercially Successful Campaign
- Been shortlisted for a **Go For Growth Excellence Award**

Each award faced stiff competition against some major players in an increasingly competitive landscape, so were warmly received by the technology marketing agency.

MD Maeve McDonald said, '2010 has been an incredible year for us. We have a fantastic team of hard working and dedicated people who continually go that extra mile for our clients so it is great that it is being recognised and rewarded – I would like to whole heartedly thank every single one of the team for their contribution in making this happen.'

Mike Butler, MD echoed this by saying 'we are totally committed to delivering and delighting for our clients – and that's what we do. The recognition we have received this year is a real accolade to that commitment and we were extremely proud of what we have achieved.'

One thing's for sure, it will be a very Merry Christmas for this B2B marketing agency who have been dubbed the one to watch for 2011....
