

Junior to mid-weight Integrated Designer

McDonald Butler Associates (MBA), a fully integrated, multi award-winning marketing agency in London, is looking for an Integrated Designer who wants to thrive and flourish in a buzzing creative agency.

MBA is a long established agency that has recently committed itself, and is rapidly becoming, a creative force in the industry.

We are proud to be working with some of the most successful Tech brands in the world, including Amazon, IBM, Microsoft, Oracle, Hewlett-Packard and VMware to name but a few. This role represents an excellent opportunity for a hungry, innovative, passionate and ambitious professional who lives and breathes design. We are also looking for someone who has some experience of video production.

MBA is located one minutes' walk from Wandsworth Town station (one stop from Clapham Junction).

The Role: This is an ideal role for a junior designer looking to take the next step on their creative path. You will be a key member of the team, reporting directly into our multi award winning Chief Creative Officer. Working across a wide range of media including digital, print and video.

Desired Skills and Experience

The ideal candidate will have a standout portfolio. Agency experience in a similar role and must have skills that include:

- An experienced all-round designer across digital and print, with high attention to detail
- Knowledge and enthusiasm to learn video skills (After Effects & Premiere)
- The full project lifecycle – from brief and pitch to usability and build
- Strong conceptual thinking
- Solid understanding and experience in best practice digital design
- Agency experience in designing cutting-edge campaigns
- UI and UX knowledge to help develop sitemaps and wireframes
- Skilled in HTML, CSS and JavaScript a massive bonus
- Expertise in Adobe Creative Suite – Photoshop, InDesign, Illustrator
- Experience in creating infographics
- A great people person who is confident to present their work both internally and to clients
- A passion for learning new techniques and technologies
- Most of all a fantastic eye for design.

Remuneration/Benefits

- Up to £35K (depending on experience)
- 23 days holiday per year increasing by 1 every year to a maximum of 25 days
- 1 duvet day per annum
- Annual leave on your birthday
- Monthly night out paid for by the Company
- Much more
